This Content Reference Guide showcases all of the available content in YBlive for the 2022-23 season, organized by category. Refer to the User Guide for a complete description of software features and use. Contact your yearbook provider with any questions. Thank you, and have a great school year!

PRO DESIGN TIPS

CHECK OUT THESE AMAZING DESIGN TECHNIQUES THAT YOU CAN USE IN THE SOFTWARE.

BACKGROUND KNOCKOUT

A background knockout feature allows users to remove the background from a candid image with one click.

FILL TEXT WITH AN IMAGE

You can drag an image onto a text frame to fill the text with the image!

ADD SHAPES TO IMAGE FRAMES

The borders and edges dialog allows you add a shape to an image frame, add a stroke, fill, and drop shadow, and control color and transparency.

COLORIZATION FOR CANDIDS

The Colorize feature allows you to adjust the color of candid images using the standard color palette. Use this feature to create a duo tone effect to go with your design's color palette.

THEMES

PROFESSIONALLY DESIGNED YEARBOOK THEMES!

READY MADE, FULLY CUSTOMIZABLE PAGE SETS IN A VARIETY OF STYLES, FOR ALL GRADES.

Themes are beautifully designed page spreads that include custom layouts, backgrounds, font styles, and a variety of movable design elements, in a range of popular and trendy styles.
