

# BOOK PROOFING TIPS

sharing pages • printing pages • creating a PDF

## ① SHARING PAGES

Before submitting your yearbook, be sure to proof each page.

Use the Share button (accessible from the Ladder, Cover or Page Designer) to obtain the most current version of your book. Provide these proofs to your yearbook team throughout the design process and again before submitting your book.

## ② PRINTING PAGES

From the Share Menu, select which parts of the book to include in your proof. You may choose all pages or specify a particular page range.

## ③ CREATING A PDF

Now it's time to generate and share your proof. Options include: print, email a link to the PDF, email the PDF as an attachment, or save the PDF to your device.
