DESIGN
WITH PURPOSE

We realize that not everyone that gets involved in the yearbook process has design experience, but we don't think that should keep you from creating a great yearbook!

Our Pictavo design software has an incredible art library loaded with backgrounds, clip art, templates and snippets that make designing your yearbook simple and fun. No design experience necessary!

Look what you can create with just our art and your images...

Creating a successful yearbook experience is our mission. Our Customer Care, Training and Tech Support Teams will be with you every step of the way: from page 1 to delivery. We are never more than a phone call or email away.

We look forward to working with you!

"Three full weeks in Europe?! My dreams have come through, all thanks to my school, my teachers and my parents. Thank you!"

BRITTANY MICK
Senior

Students were fortunate to travel to Norway, the UK, Ireland, Spain and Italy during their three week vacation over holiday break. Lucky ducks!

Hikes, hikes, hikes! Walking along Cinque Terre in Italy was definitely a highlight of their trip - seeing 3 beautiful, off the track, coastal cities on one path is amazing.

The students were very surprised to see so many other American tourists while on vacation! That means they chose the best spots... right?!

They were fortunate to visit Norway, the UK, France, Spain and Italy during their three week holiday break. Lucky ducks!

BACKPACK

MUST HAVES

"My book bag has an insane amount of stuff inside. From books, art supplies, snacks, more snacks, (did I mention snacks?) headphones and gym clothes, there's never enough space for everything."

ADAM HUERTA
Freshman

We surveyed 85 students and most students preferred book bags that hang around both shoulders versus across the chest!

SAY WHAT?!

According to our fabulous nurse, Mrs. Robertsen, our book bags should not exceed more than 20% of our body weight before it starts to affect our backs. Time to start using that locker, kids!

CURRENT EVENTS & AUTOGRAPH PAGES

Current Events are available as full-page backgrounds or as single-story accent pieces in your Pictavo art library. Use as many or as few stories as you'd like, depending on what's of interest for your school.

To use full page Current Events, just drag and drop pre-designed layouts onto any page of your book.

Remember, books are priced based on total page count. Updated Current Events will be available in February each year.

Single-story Current Events are also available. Search 'Current Events' in the Art menu, select 'Accents' to see stories available.

**PERSONAL MESSAGES ARE
ALWAYS AN IMPORTANT PART
OF THE YEARBOOK!**

These pre-printed autograph pages are produced on uncoated paper to be marker, pen and pencil friendly.
