3D COVERS

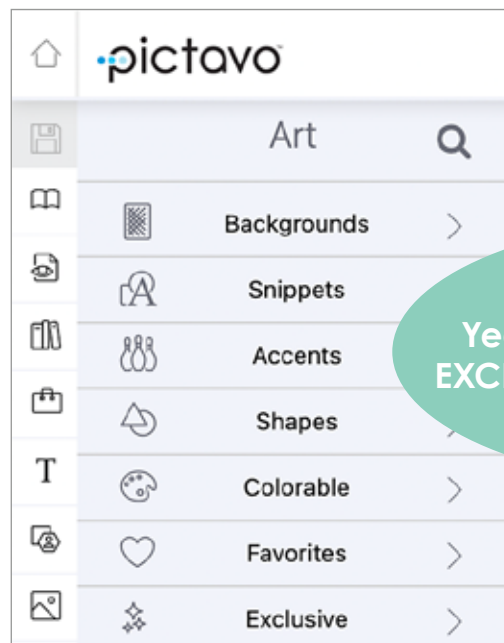

EXCLUSIVE ART!

exclusively for you

YearbookLife's Pictavo art library doesn't end with the items in the Art Catalog. We have added more backgrounds, accents and cover backgrounds for YearbookLife customers!

Many of our exclusive cover backgrounds include designs that coordinate with accents and backgrounds in the Variety art library.

Find art available only to YearbookLife customers in the EXCLUSIVE folder of the art library.

Check back often as we add more items throughout the season!
