This Content Reference Guide showcases all of the available content in YBLive for the 2023-24 season, organized by category. Refer to the User Guide for a complete description of software features and use. Contact YearbookLife with any questions.

Thank you, and have a great school year!

### PRO DESIGN TIPS

CHECK OUT THESE AMAZING DESIGN TECHNIQUES THAT YOU CAN USE IN THE SOFTWARE.

#### ↘ BACKGROUND KNOCKOUT

A background knockout feature allows users to remove the background from a candid image with one click.

#### ↘ FILL TEXT WITH AN IMAGE

You can drag an image onto a text frame to fill the text with the image!

#### ↘ ADD SHAPES TO IMAGE FRAMES

The borders and edges dialog allows you add a shape to an image frame, add a stroke, fill, and drop shadow, and control color and transparency.

#### ↘ COLORIZATION FOR ELEMENTS

The Colorize feature allows you to change Black Elements to any color using the color palette. Use this feature to match Elements to your design's color palette.

### ↘ IMAGE EDITOR

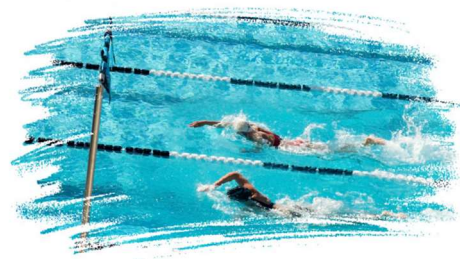

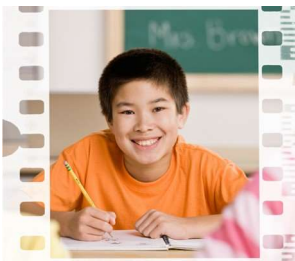

#### DUOTONES & MORE!

Built-in image editor provides basic editing controls and effects, including an awesome new Duotone Effect. The Editor is available on the Photos page, and also directly from the editing toolbar in Advanced Design!

### ↘ BORDERS & EDGES

100 great Edge Effects in 8 categories, in the Borders and Edges dialog. Instantly add cool effects to your photo!
